

CRX DM 38  
FINISHING

for leather, for you

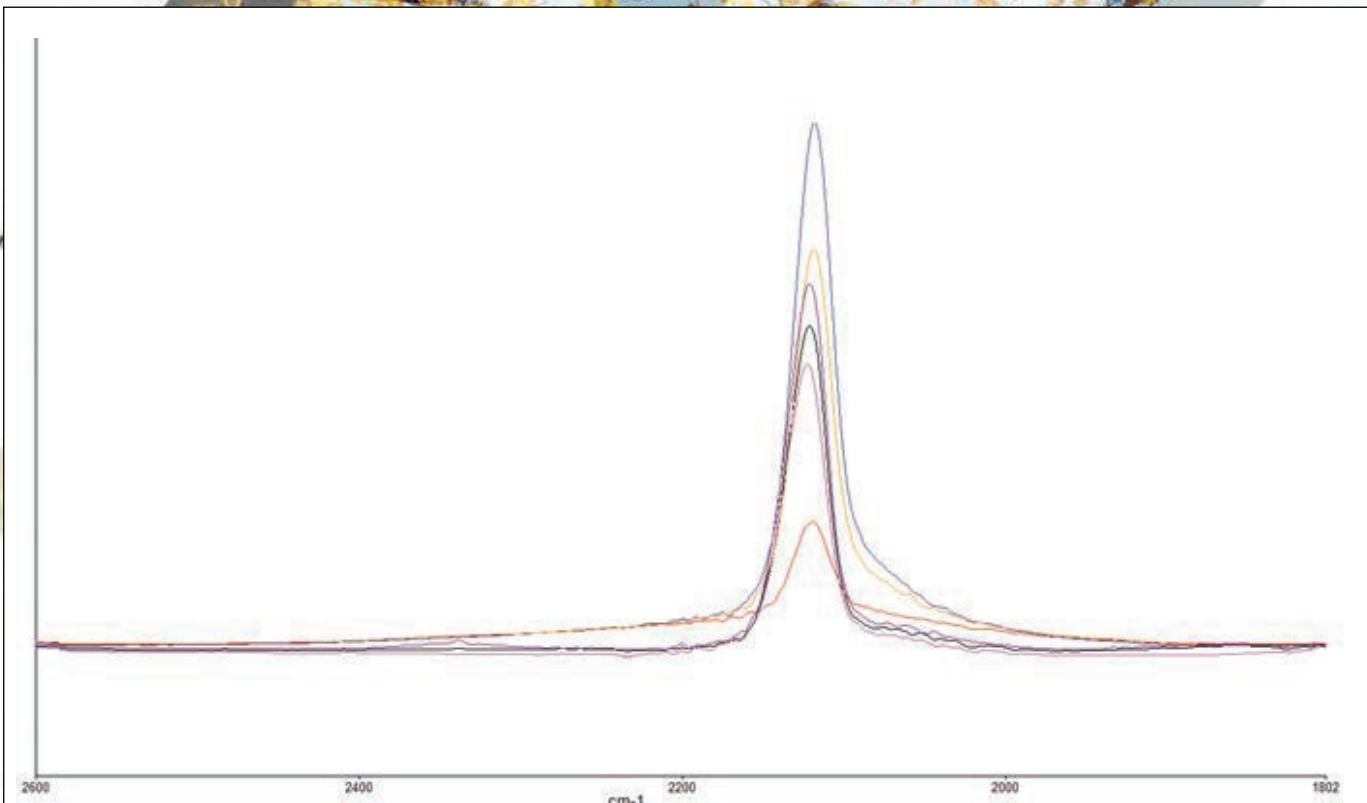

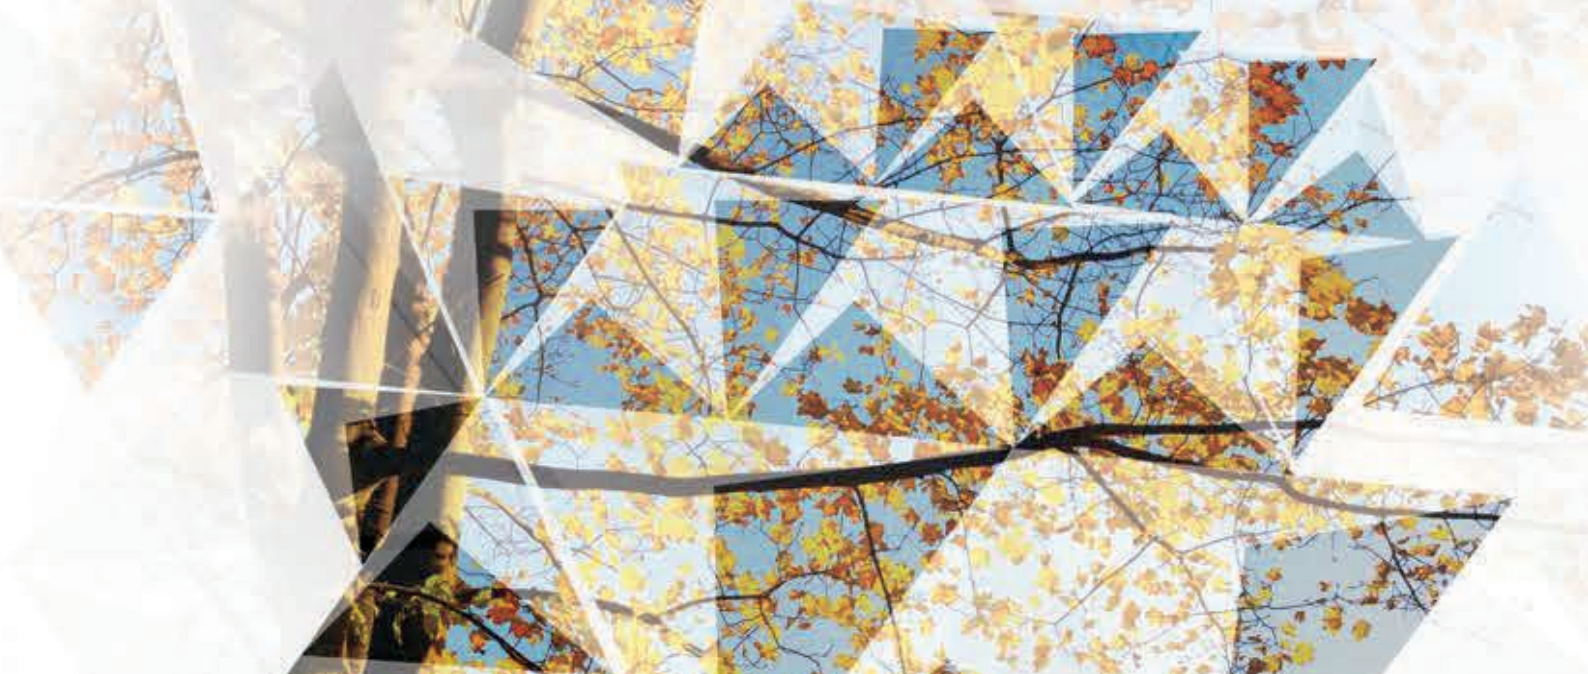

The background is a dark, textured surface composed of numerous small, dark grey, faceted geometric shapes. A large, glowing green and white geometric pattern, resembling a stylized 'A' or a similar character, is superimposed on the center. The pattern is made of interconnected lines and points, with some areas filled with a vibrant green color. A bright white line runs diagonally across the bottom right corner of the image.

**CRX DM 38**

## CRX DM 38, the new **eco-friendly crosslinker!**

The perfect answer to market demand for a new crosslinking product, totally **solvent free** and with extremely high reactivity.

CRX DM 38 new crosslinker is also highly effective using less compared with traditional crosslinkers.

The N=C=N limit, at approximately 2120 cm<sup>-1</sup>, exhibits greater carbodiimide reactive groups compared with products already present on the market.

# CRX DM 38

## Characteristics

Appearance	Transparent, pale yellow liquid
Total solids	40%
Charge	Non-ionic

## Description

CRX DM 38 is a non-toxic, **VOC free** polycarbodiimide-based crosslinking agent.

CRX DM 38 reacts with carboxyl groups even at room temperature, with dosage from 1 to 7%; recommended curing condition: Over 50°C.

## Properties

- Non-toxic
- Outstanding alkali resistance
- Longer pot-life
- Flexing endurance enhancement
- Greater adhesion
- Improved Hydrolysis fastness

• **VOC FREE**

• **SOLVENT FREE**

Do not store below 5°C

Do not store over over 40°C

The characteristics shown on this data sheet are only provided as a guide. Product specifications are available upon request.

# CRX DM 38

Fully committed to sustainable development,  
GSC Group would like to present its latest  
generation **crosslinker**.  
CRX DM 38 is a high-reactive and **solvent free**  
ecological crosslinker with long pot-life.

## GSC GROUP SPA

- ◆ COMPLETE OFFER OF CHEMICAL SOLUTIONS FOR LEATHER PRODUCTION
- ◆ HIGH-QUALITY PRODUCTION
- ◆ OUTSTANDING EXPERTISE IN TECHNICAL ASSISTANCE FOR THE TANNING INDUSTRY

Via dell'Industria, 5 36054 Montebello Vic.no (Vi)
